### The Healing Art Of Writing

Another form of expressive writing, poetry, has long played a role in the art of healing. 93 Several authors 94-96 have described the use of poetry to help people find their voice and gain access to the wisdom they already have but cannot experience because they cannot find the words in ordinary language. According to Carroll:

To tap writing's healing power, people must use it to better understand and learn from their emotions, he says. In all likelihood, the enlightenment that can occur through such writing compares with the benefits of verbal guided exploration in psychodynamic psychotherapies, notes Pennebaker. He notes, for example, that talking into a tape ...
