The movements themselves can be very brief and simple. Thirty-seconds to two-minutes is enough time to make all of this magic happen. Some examples of simple breaks are bending over at the waist and touching the toes, marching in place, walking the class around the room, squatting five times, jumping jacks, moving a piece of paper in a figure 8 motion around and between the legs, or clapping ...

### The Benefits of Movement in the Classroom | Literacy and ...

Literacy is popularly understood as an ability to read and write in at least one method of writing, an understanding reflected by mainstream dictionaries. In this view, illiteracy would be considered to be the inability to read and write. Some researchers suggest that the term "literacy" can be historically divided into two periods. Firstly is the period before 1950, when literacy was ...
