potentials" and to put women into the "mainstream of American political, economic and social life."

### **The Fight for Women's Rights in the Past and Present**

The beginning of the fight for women's suffrage in the United States, which predates Jeannette Rankin's entry into Congress by nearly 70 years, grew out of a larger women's rights movement. That reform effort evolved during the 19th century, initially emphasizing a broad spectrum of goals before focusing solely on securing the franchise for women. Women's suffrage leaders, moreover ...

...

The literature on the economic consequences of women's rights documents that more rights for women lead to more spending on health and children, which should benefit development. The political-economy literature on the evolution of women's rights finds that technological change increased the costs of patriarchy for men and thus contributed to the expansion of women's rights.
