The Secret History Of World

In this groundbreaking and now famous work, Mark Booth embarks on an enthralling tour of our world's secret histories. Starting from a dangerous premise—that everything we've known about our world's past is corrupted, and that the stories put forward by the various cults and mystery schools throughout history are true—Booth produces nothing short of an alternate history of the past 3,000 years.

The Secret History of the World: As Laid Down by the Secret Societies, by author Mark Booth, is every bit as ludicrous as the title sounds. That being said, there are moments of genuinely brilliant writing and profoundly interesting ideas. Booth sabotages himself with far too many obscure references and endless name-dropping.

The Secret History of the World by Jonathan Black

The Secret History of the World The preponderance of my work deals with a history of the world that remains undiscovered, unexplored, and unknown to most of humanity. Some of this secret history has been revealed in the *Adversary Cycle*, some in the *Repairman Jack* novels, and bits and pieces in other, seemingly unconnected works.

The Secret History - Wikipedia

Everything in this history is upside down, inside out and the other way around. At the heart of "The Secret History of the World" is the belief that we can reach an altered state of consciousness in which we can see things about the way the world works that are hidden from us in our everyday, commonsensical consciousness.
