The original edition of Star Wars, however, is not anamorphically enhanced (sometimes referred to as "4:3 letterbox"), so on a widescreen TV it will have large black bars on the top, the bottom, and the sides unless you stretch the picture (and distort it in the process, especially considering the substandard picture quality). If you're ...

Got my car from Eugene of GOwheeler and had a great experience! Thank you Eugene for making the exploration and decision making process easy. I've purchased cars from a few dealers in the past but never from a person and dealer that pays so much attention to the little things - from the detailing of the car to showroom ready to provide data and answers to questions without pressure of a sale.
