Traditional Domestic Architecture of Charles County ...

Domestic architecture throughout the 20th century and beyond has continued to be strongly influenced by a homogenised version of Victorian vernacular revival styles. Some architects responded to modernism, and economic circumstances, by producing stripped down versions of traditional styles; the work of Giles Gilbert Scott illustrates this well.

Architecture of England - Wikipedia

Vernacular architecture represents the majority of buildings and settlements created in pre-industrial societies and includes a very wide range of buildings, building traditions, and methods of construction. Vernacular buildings are typically simple and practical, whether residential houses or built for other purposes.
