Prostitution in Cameroon is illegal but tolerated, especially in urban and tourist areas. In the capital, Yaoundé the main area of prostitution is the neighbourhood of Mini Ferme. UNAIDS estimate there are 110,000 sex workers in the country. Cameroon attracts sex tourism from the West, especially for child prostitution. The Cameroonian government has attempted to stop this trade by agreeing

strengthen bonds of solidarity between all indigenous and diaspora ethnic groups of African descent. Based on a common goal dating back to the Atlantic slave trade, the movement extends beyond continental Africans with a substantial support base among the African diaspora in the Americas and Europe.

Pan-Africanism - Wikipedia

“Africana philosophy” is the name for an emergent and still developing field of ideas and idea-spaces, intellectual endeavors, discourses, and discursive networks within and beyond academic philosophy that was recognized as such by national and international organizations of professional philosophers, including the American Philosophical Association, starting in the 1980s.
