Compared to many other digital signage platforms on the market, Rise Vision was an easy choice for us to make due to the cloud-based architecture, flexibility in being able to deploy on Windows, Linux, or Raspberry Pi, and a very low cost per display.

Digital Signage Software Made Easy - Rise Vision

One of my most popular past blog posts is Vision Boards: A Quick Story. I wrote it months before the DVD *The Secret* was released. Then John Assaraf's story of manifesting his giant mansion by using vision boards and the law of attraction (in *The Secret*) popularized the concept. Many of us, however, have been doing them for years.
